

Rogers Lake West Shores Association
Kayak Rack Storage Rules and Regulations

1. Usage of the storage rack is permissible March 1 to November 30 for an association property owner.
2. Rack storage use is on a first come, first serve basis. The kayak, paddleboard, or canoe must be stored in the assigned rack slot.
3. Only one kayak, paddleboard, or canoe is allowed per rack slot.
4. It is the responsibility of the owner to provide additional security, such as a cable and locks, if you choose.
5. A CT DEEP "If Found" sticker must be completed and adhered to the front of your kayak, paddle board, or canoe where it can be seen when stored on the rack. You cannot place your kayak, paddle board, or canoe on the storage rack without an "If Found" sticker.
6. If the "If Found" sticker is lost or removed a new sticker must be obtained. "If Found" stickers are available free of charge from CT DEEP to all Connecticut residents.
7. Kayaks, paddle boards, or canoes left after November 30th will be removed and put in storage. Reclaiming your kayak, paddle board, or canoe requires a payment of \$100.00. After 30 days, unclaimed property will become the property of the Association.
8. Rogers Lake West Shores Association is not responsible for any vandalism or theft of your kayak, paddleboard, or canoe or any personal injury that may be caused by your kayak, paddleboard, or canoe.
9. The kayak, paddle board, or canoe must fit within the designated rack space and not impair the use of the rack by other permitted association members. Altering of slips, racks, or fixtures is not permitted.
10. Area around the storage rack must be kept clean and orderly.
